Experience

Teaching Assistant, Brigham Young University–Idaho Jan 2024–April 2024

- Developed a journaling mobile application in React Ionic, showcasing strong problem-solving skills and driven self-motivation
- Provided feedback in detailed reports, helping facilitate crucial decision making in creating a future class curriculum
- Extensively documented my development process, adding an exhaustive report of the pros, cons, and unique attributes of React Ionic

Full Stack Developer, Brigham Young University Office of IT 2022–2023

- Significantly contributed to the development of services for the BYU Honors Program, streamlining the application and thesis process.
- Successfully migrated major resources from legacy systems to modern services, reducing technical debt and enhancing security
- Worked with AWS products including EC2, Lambda, Fargate, and DynamoDB

End-User Support, Brigham Young University Office of IT 2021–2022

- Provided invaluable IT troubleshooting support to hundreds of online customers during the COVID-19 pandemic, ensuring seamless remote learning experiences
- Coordinated effectively with in-person technicians to resolve time-sensitive incidents for professors
- Effectively guided students and professors through recovery procedures and troubleshooting, fixing issues promptly and effectively

Custodial, Brigham Young University Physical Services Summer 2021

- Demonstrated strong work ethic and adaptability by maintaining cleanliness in student housing, efficiently handling calls, extra hours, and weekend cleanings
- Effectively cleansed two male student housing buildings after a semester of occupation
- Worked flexibly, with many calls in, extra hours, and weekend cleanings

Church Representative, The Church of Jesus Christ of Latter-day Saints 2018–2020

- Worked upwards to seventy hours a week teaching lessons, networking with local members, and engaging in cold contacts
- Coordinated efforts with local, increasing strengthening current and new members
- Trained new representatives, providing basic skills and knowledge to succeed as a

representative
